SERVICE LIST ATTACHED

BY THE BOARD:

On March 1, 2000, AT&T Cable Services of New Jersey, Inc. (Petitioner) filed Federal Communications Commission (FCC) Form 1205, Docket Number CR00030145, seeking approval by the Board of Public Utilities ("Board") for regulated installation and equipment costs affecting its rate districts of Gloucester, Maple Shade, Long Beach Island and Wildwood pursuant to the Cable Television Consumer Protection and Competition Act of 1992, 47 U.S.C. § 543 et seq., and provisions of the New Jersey Cable Television Act, N.J.S.A. 48:5A-1 et seq.

The Board, at its public meeting on January 10, 1996, Docket Number CX95120636, approved the implementation of Optional Expedited Rate Procedures for the processing of certain filings made with the Office of Cable Television (OCTV). The intended purpose of these procedures is to grant final rates as quickly as possible to any cable company that chooses this process. In the spirit of cooperation based on the principles of Alternate Dispute Resolution (ADR), the discovery content is limited, thereby reducing the timeframe for settlement.

Petitioner chose to pursue its filings with the Board through the approved procedures. To that end, a pre-transmittal conference was held on April 17, 2000 and attended by representatives of the Petitioner, the Division of the Ratepayer Advocate and Board Staff. Petitioner agreed to waive its Office of Administrative Law (OAL) litigation rights for the matter currently docketed with the Board. It should be noted that Petitioner's waiver was a knowing, voluntary and intelligent waiver of its litigation rights at the OAL and that the waiver did not constitute a circumvention of the FCC's rules nor did it affect Petitioner's right to appeal in that forum.

Petitioner notified its customers of the rate changes by way of a newspaper announcement informing them of their opportunity to submit written comments to the Board for a period of thirty days commencing from April 21, 2000 to May 21, 2000 for its Gloucester and Maple Shade

districts, June 7, 2000 to July 7, 2000 for its Long Beach Island district and June 19, 2000 to July 20, 2000 for its Wildwood district. During these time periods, no comments were received.

Upon review by Staff and the Ratepayer Advocate of the supporting documentation, schedules and other discovery requests, a settlement conference was held on May 2, 2000. On May 25, 2000, the parties entered into a Stipulation of Settlement.

The Board has reviewed the Stipulation and finds it to be reasonable, in the public interest and in accordance with the law. Therefore, the Board HEREBY ADOPTS the Stipulation of Settlement (attached hereto) as its own, incorporating by reference the terms and conditions therein as if fully set forth at length herein.
